Dear

A \$25.00 non-refundable fee is required to place your name on the waiting list. The fee is not applicable to your first season's slip rental. Please make your check payable to the Town of Evans. Contact the office (549-0970) if you change your address or phone number.

On the reverse side of this correspondence is the form to apply for a water slip and/or dry dock. Please keep in mind that once you choose a slip size and we can offer it to you, you can only place a boat the length of, or smaller, in that slip (e.g. 20' slip - maximum length boat would be 20'; you could put a boat smaller than 20' in the slip; 21' boat could go into, at least, our 22' slip). The upper left hand corner of your New York State boat registration indicates your boat's length; that is the length we will go by.

You can, at anytime, change your choice of slip size, but please keep in mind that you will go to the bottom of the wait list that you change to. Your name will also be removed from the list you are currently on, unless you pay an additional \$25.00 fee. Also, when you are offered a slip, if you refuse it, your name will then go to the bottom of that list.

Please complete the form on the reverse side and return it to our office with your \$25.00 fee. If you have any questions regarding the wait list, please call our office.

Sincerely,

Patrick M. Conrad
