**NOTES:**

If your property is on a corner lot; clear vision shall be maintained on corner lots in a triangle formed between points on the front and side lot lines 35 feet from their intersection. Within that area no fence, wall, ornamental gate or portal, bushes or shrubbery shall be permitted higher than 2 feet above the average finished grade. The required front yard can be as greater than 35 feet. Contact the Building Department.

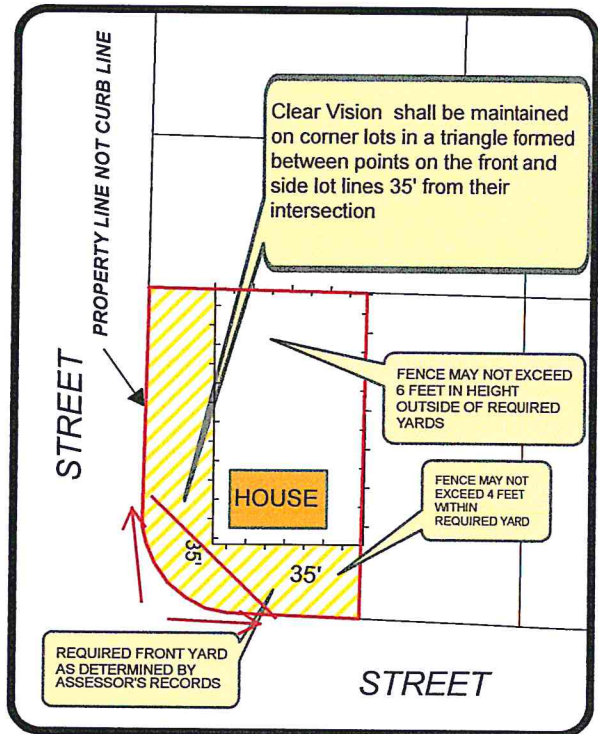

Every part of the fence installation, including the post holes, must be on the owner's property. Prior to digging below ground contact Dig Safely NY at 811 for underground utility locations.
