NOTICE TO BIDDERS

The Town of Evans is bidding for tree removal contractors for the purpose of removing town owned trees from town property and completing stump grinding afterwards for property maintenance purposes. The Town will ask for these removals as needed, however they will group tree removals and stump grinding so that the contractor will have a minimum of 4 trees or stumps to remove before they are called. Once trees are removed and stumps are ground, the areas shall be left clean and orderly, and the Town shall be notified.

A PDF copy of the complete RFP can be obtained by emailing the consulting Town Engineer, Steven R. Tanner, P.E. at stanner@cplteam.com.
